

## **Mouth/Poster section**

*Mouth* publishes your scientific posters, presented at national/international conferences, to make them available for citation as well as make them more attractive and available for international audience. **Posters presented at any conference during last three years are welcome.** Only posters and board demonstrations that have been evaluated, accepted and presented by an academic/scientific committee of a conference may be submitted. The author shall submit his/her poster for publication in MS Powerpoint format. The author shall also upload a copy of the detailed program (**certificate of participation**) for the respective conference at which the poster was demonstrated.

### **Information page**

The author shall submit a separate tex file containing the title of the poster, the names of the authors and affiliations, abstract (English or Spanish) of not more than 300 words and keywords (max. 5, please separate with commas)
